Written Exam: November 16th, 2019 @ 9AM

ESSENTIAL JOB FUNCTIONS:

- Perform fire-fighting tasks (e.g., hoseline operations, extensive crawling, lifting and carrying heavy objects, ventilating roofs or walls using power or hand tools, forcible entry), rescue operations, and other emergency response actions under stressful conditions while wearing personal protective ensembles and self-contained breathing apparatus (SCBA), including working in extremely hot or cold environments for prolonged time periods.
- Wear an SCBA, which includes a demand valve–type positive-pressure facepiece or HEPA filter masks, which requires the ability to tolerate increased respiratory workloads.
- Exposure to toxic fumes, irritants, particulates, biological (infectious) and non-biological hazards, and/or heated gases, despite the use of personal protective ensembles and SCBA.
- Climb four or more flights of stairs while wearing fire protective ensemble weighing at least 50 lb. or more and carrying equipment/tools weighing an additional 20 to 40 lb.
- Wear fire protective ensemble that is encapsulating and insulated, which will result in significant fluid loss that frequently progresses to clinical dehydration and can elevate core temperature to levels exceeding 102.2°F.
- Searching, finding, and rescue-dragging or carrying victims ranging from newborns up to adults weighing over 200 lb. to safety despite hazardous conditions and low visibility.
- Advancing water-filled hoselines up to 2½ inches in diameter from fire apparatus to occupancy [approximately 150 ft.], which can involve negotiating multiple flights of stairs, ladders, and other obstacles.
- Climbing ladders, operating from heights, walking or crawling in the dark along narrow and uneven surfaces, and operating in proximity to electrical power lines and/or other hazards.
- Unpredictable emergency requirements for prolonged periods of extreme physical exertion without benefit of warm-up, scheduled rest periods, meals, access to medication(s), or hydration.
- Operating fire apparatus in an emergency mode with emergency lights and sirens.
- Critical, time-sensitive, complex problem solving during physical exertion in stressful, hazardous environments, including hot, dark, tightly enclosed spaces that is further aggravated by fatigue, flashing lights, sirens, and other distractions.
- Ability to communicate (give and comprehend verbal orders) while wearing personal protective ensembles and SCBA under conditions of high background noise, poor visibility, and drenching from hoselines and/or fixed protection systems (sprinklers).
- Functioning as an integral component of a team, where sudden incapacitation of a member can result in mission failure or in risk of injury or death to civilians or other team members.

ADDITIONAL DUTIES AND RESPONSIBILITIES:

- Administer first responder medical treatment to ill and injured.
- Participate in the Department’s physical fitness training and wellness programs.
- Complete departmental training programs, drills, and education requirements.
- Perform general maintenance/repair to department facilities, apparatus, and equipment.
- Participate in public relations events (tours, education programs, festivals, etc.).
- Pass criminal history background check, motor vehicle review, drug and alcohol test, and a pre-placement physical assessment.

MINIMUM EDUCATION AND CERTIFICATION REQUIREMENTS:

SELECTION PROCESS OVERVIEW:

REGISTRATION PERIOD

The selection process begins with a registration period. Interested candidates who currently meet the minimum age, education and certification requirements must submit a résumé to serve as their “registration.” Additionally, applicants should review the criminal history, motor vehicle review, and medical/physical requirement to ensure that they qualify as an eligible candidate for employment.

- The registration period closes at midnight on October 20, 2019.
- Candidate must submit a résumé to abush@weatherfordtx.gov to register for the exam.
- Candidate must submit a copy of their DD214 for military points consideration.
- Candidates approved to take the written exam will receive an emailed invite with further details.

WRITTEN EXAM

- The written exam will be held on November 16, 2019 at 9:00 AM; location to be determined.
- The multiple choice exam may cover the following: reading ability, mathematical reasoning, interpersonal skills, teamwork, commitment, honesty, integrity, emotional stability, thoroughness, attention to detail, commitment and devotion, following instructions, EMS duties, performing station duties with others or independently, and overall job performance.
- Failure to show-up or late arrival will result in disqualification from the selection process.

- Those candidates who served in the United States Armed Forces and received an honorable discharge have the opportunity to receive an additional 5 points on the written exam. To receive the points, the candidate must score at least a 70% on the exam and must submit a copy of their DD214 with their résumé.
- A passing grade does not guarantee continued consideration. Only top scorers will advance in the process.

ROW TEST

Immediately following the written exam, top scoring candidates will participate in a rowing fitness test. The Weatherford Fire Department utilizes the Texas Department of Public Safety's Concept2 evaluation guidelines. Please review the links below for additional information and preparation assistance:

<https://www.dps.texas.gov/ETR/concept2RwrTstngTrng.htm>

<https://www.dps.texas.gov/ETR/concept2RowerCalc.htm>

A tiered grading system will be used based on standardized age and gender norms.

PHYSICAL ABILITY TEST

APPLICANTS WITH PHYSICAL OR MEDICAL CONDITIONS OF ANY NATURE SHOULD:

1. *CONTACT THEIR PHYSICIAN PRIOR TO TAKING THE PHYSICAL ABILITY TEST TO DETERMINE IF IT IS ADVISABLE TO PARTICIPATE.*
2. *WITHDRAW FROM THE PROCESS IF THEY HAVE ANY CONDITION OR LIMITATION THAT PREVENTS THEM FROM SAFELY PARTICIPATING.*

The City of Weatherford, the Weatherford Fire Department, its agents and employees do not assume any responsibility for the effect this test may have on an applicant's health or medical condition. Further, the City of Weatherford, the Weatherford Fire Department, its agents and employees accept no responsibility or liability for any injury an applicant might sustain during the test. This test should be considered strenuous physical activity and as such carries a risk of injury.

- The Physical Ability Test will be held on December 10th, 11th, and 12th, 2019. The times and location will be disclosed to eligible candidates following the written exam.
- The physical ability test measures the capabilities of firefighting recruits along multiple job-specific areas.
- Top scoring candidates who successfully complete the physical ability test will be contacted for a panel interview.

PANEL INTERVIEW

The interview panel consists of members from various ranks within the Weatherford Fire Department. Each candidate interviewed will be asked the same behavioral-based questions. Candidates should draw from recent work experiences and life experiences in their responses. Be yourself and be honest when communicating. The top scoring candidates from the panel interview will continue in the selection process to the background investigation.

BACKGROUND INVESTIGATION

The Weatherford Fire Marshal's Office will conduct the background investigation. The Fire Marshal's Office will conduct reference, criminal history, and driving record checks. See **CRIMINAL HISTORY AND MOTOR VEHICLE REVIEW REQUIREMENTS** listed above for more information.

FINAL INTERVIEW AND CONDITIONAL OFFER

This final interview will determine which candidate(s) will be extended a conditional offer of employment. To meet the conditions of an employment offer, candidates must pass a drug/alcohol screening and receive an overall performance rating of "good" in the Texas Health Huguley Hospital's firefighter medical assessment.

ORIENTATION AND INITIATION

A probationary firefighter starts his/her career with the Weatherford Fire Department by completing an 80 hour orientation (8am-5pm, M-F). Upon successful completion, the probationary firefighter is assigned to shift work.

The initiation period will continue for the probationary firefighter's first year of employment with the Weatherford Fire Department. Throughout this initiation period the probationary firefighter will be evaluated through company officer observations, skills testing, and written exams.
