

City of Weatherford Transportation Project Update

SH171/51 (South of IH20)

Project Description

Widen and reconstruct the three lane rural type road from Interstate Highway 20 south through the intersection of Causbie Road. The new road will be a reinforced concrete urban roadway with curbing and a raised median. The new road width will accommodate two lanes of traffic in both north and south directions and have protected left turn bays with free right turn movements onto I-20 and the new BB Fielder Road.

Status Update

Bid opening was held January 20, 2009. The contract was awarded to Prater Equipment Company in February 2009. This project was labeled substantially complete on July 15, 2010.
