

City of Weatherford Transportation Project Update

Town Creek Trail

Project Description

Construct a 10 foot wide, reinforced concrete hike and bike trail system beginning at the old Santa Fe Railroad Depot on Fort Worth Highway. The trail will run along Santa Fe Drive to Black Warrior Creek and then turn and run east toward Town Creek and follow Town Creek in a southeasterly direction to Holland Lake Park. One branch of the trail will extend east to connect to the Bose Ikard Middle School. This project is 80% funded with ARRA dollars.

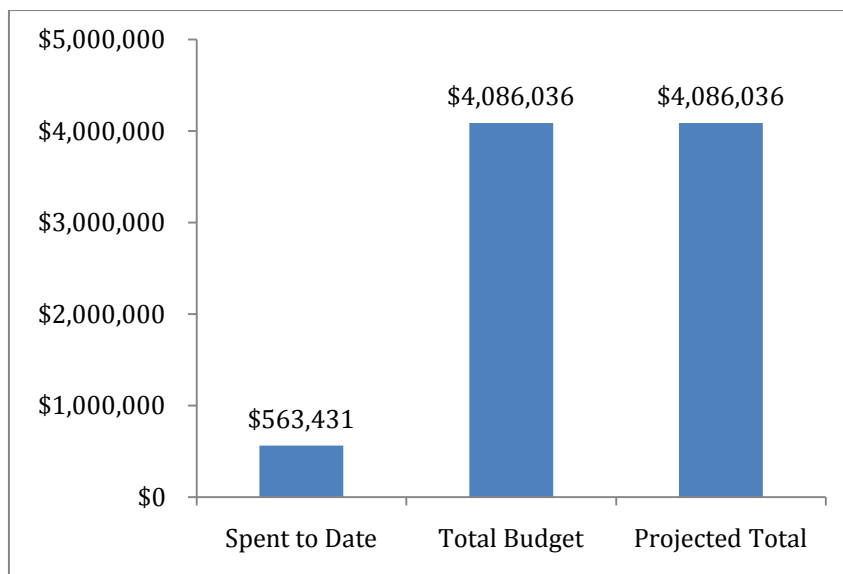

Status Update

A contract for construction was awarded to Ed Bell Construction on May 11, 2010, and construction began on July 12, 2010.
