

City of Weatherford Transportation Project Update

IH20 Frontage Roads - 171-2552; Holland Lake Bridge; U-Turns

Project Description

Construct a new three lane wide urban concrete reinforced frontage road for eastbound and westbound traffic between SH17/FM51 and FM 2552. Includes the addition of a new bridge over I-20 at Holland Lake, the widening of the bridge on SH 171/ FM 51 to a five lane bridge, elevated U-turns at the SH 171/ FM 51 bridge and at the FM 2554 bridge, the relocation of the existing on/off ramps and two new on/off ramps located near the Holland Lake bridge. The new frontage roads will be one-way roads

Status Update

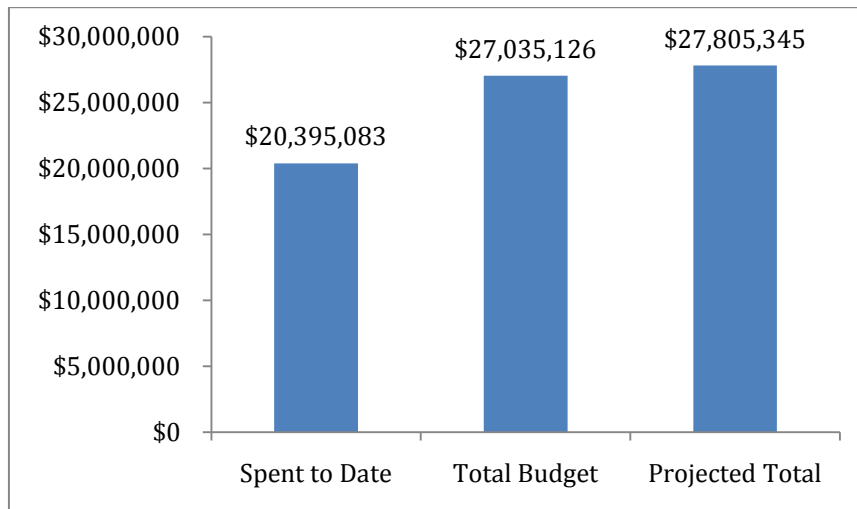

Bid opening for this project was held on January 20, 2009. The contract was awarded to Ed Bell Construction Co. on February 24, 2009. Construction began in May 2009. The contract allows 700 working days to complete the project.
